

## 4-H Club Activities and Goals 20\_\_\_\_

The goals are developed by committee (Standing committees are those named in the club's bylaws. **Examples:** program, health and safety, recreation) and then presented to the club for approval. In a small club, the entire club may develop the goals.

### Example of goals

1. 90% of the members have at least one dental examination during the year.
2. Have planned recreation at every club meeting.
3. Survey and correct fire safety hazards in 90% of club member's homes.
4. All members complete every project being carried.
